## DISPLAY BOARDS TO HIRE

Printworks has a stock of tough durable display boards for local hire. The boards are 15mm or 18mm MDF, matt white painted both sides and very suitable for taking screws, nails and other fixings for hanging prints and paintings or displaying other art work. Board sizes are 4 foot wide (1220mm) and either 7 foot (2134mm) or 8 foot (2440mm) high depending on your ceiling height requirements.

Boards can be arranged in various configurations: zigzags, right angles, alcoves or boxes depending on your display plans. As long as every other board is at a reasonable angle these configurations are generally very stable and no additional bases or supports are necessary. If you need a long flat run of several boards then we can advise about the best way to make these stable. We can generally make a visit to your proposed venue to help you plan what you need.

We supply sufficient clamps for any configuration: generally two clamps for your first pair of boards and then a pair of clamps for every additional board. We don't charge extra for clamps, they are included in the board hire charge, but we do expect you to pay for any clamps that get lost or damaged. Replacements are charged at cost (£14 each).

We also supply you with suitable 5mm hex drivers (and instruction sheet) for you to set up your display securely. Boards are strong but quite heavy so we recommend that two people are needed to get the first couple of boards up and securely fixed together. After that it's fairly easy to fix on additional boards. Let us know if you need a hand unloading or setting up your displays. We may need to charge for a bit of time to do this. Rates for setup time are negotiable but generally we charge £20 per hour.

### HIRE RATES

Our hire rate for boards plus clamps over a long weekend (Friday am to Monday before 10:30 am) is £7 per board. Hire per full week is £10 per board and then pro rata for more weeks. These are the rates if you collect and return boards using your own transport. We can also arrange transport to deliver and collect. This should be agreed at least three working days before delivery and may incur mileage depending on location. Generally it costs about £15-£20 per delivery or collection (up to 15 boards) within the Wivenhoe area. We are in discussion with some other local groups about alternative ways to provide cheap or free delivery.

Please contact us if you need advice or further information:
